Bachelor of Science, Combined Major in Science
Faculty of Science, University of British Columbia
ianmsseo@gmail.com | [Personal Website](#) | 010-4942-8615

EDUCATION

University of British Columbia
B.Sc, Combined Major in Science
Honours/Awards: Class 2 standing

Vancouver, Canada
Sept 2016 - Aug 2024

Shawnigan Lake School
High School Diploma

Victoria, Canada
Sept 2011 - Jun 2016

RESEARCH EXPERIENCE

Research Assistant - MISR Data Analytics & AI Research Group
Sauder School of Business, University of British Columbia
Supervisors: Professor Gene Moo Lee, Dr. Jaecheol Park

Vancouver, Canada
Jul 2024 - Oct 2024

Research topic: “Do Incentivized Reviews Poison the Well? Evidence from a Natural Experiment at Amazon.com”

- Conducted literature review on state-of-the-art transformer models
- Pre-processed 6,000 incentivized reviews
- Formulated machine learning pipeline using state-of-the-art models (BERT, BigBird, Longformer)
- Utilized Bayesian optimization technique for model hyperparameter tuning
- Reported model outputs (Confusion matrix, Accuracy, Precision, Recall, F1, ROC_AUC) to supervisors

Student Researcher – Social Economic Ecological Development Studies
University of British Columbia
Research Coordinator: Dr. Juan Diego Martinez

Vancouver, Canada
Jan 2024 - May 2024

Research Topic: “Reducing Food Plate Waste at the Consumption Level – Investigating Leading Drivers at the UBC AMS Nest Building”

- Conducted literature review on qualitative and quantitative research methods
- Created survey questions on Qualtrics for qualitative and quantitative analysis
- Collaboratively worked with colleagues to collect data from participants
- Normalized data structure following Boyce-Codd Normal Form
- Analyzed quantitative data using Python
- Presented at the end-of-term academic session
- Wrote research paper on findings

WORK EXPERIENCE

Republic of Korea Army

Soldier (Sergeant, Honourable discharge)
Squad Leader

Yeoncheon, Korea

Aug 2021 - Feb 2023
May 2022 - Dec 2022

Chomdan Corporation

Software Developer Intern

- Implemented REST API log-in functionality using Express.js framework
- Utilized query sanitization techniques to log-in functionality
- Redesigned the website visuals and deployed online

Seoul, Korea

May 2021 - Jul 2021

Vancouver Korean Press

Intern Reporter

Vancouver, Canada

Sept 2017 - May 2018

SERVICE AND OTHER INVOLVEMENT

Korean Intercollegiate Student Society (Vancouver, Canada)

Director, External Relations

2018 - 2019

Association of Korean Canadian Scientists and Engineers (Vancouver, Canada)

Executive Member, Publications

2017 - 2018

Shawnigan Lake School Rugby Team (Victoria, Canada)

Captain, Senior Rugby Team

2015 - 2016

Athlete

2011 - 2016

Shepherd's Field Children's Village (Tianjin, China)

Childcare Guardian

Mar 2015

Seoul Medical Center (Seoul, Republic of Korea)

Summer English Translator

2013 - 2015

ACADEMIC CERTIFICATIONS

Coursera:

- Causal Inference 2 – Columbia University
- Bayesian Statistics – Duke University
- Google Data Analytics Professional Certificate
- Information Systems Specialization – University of Minnesota
- AI For Business – University of Pennsylvania
- Causal Inference – Columbia University
- IBM Data Science Professional Certificate

Mar 2025 - Ongoing

Nov 2024 - Ongoing

Nov 2024 - Ongoing

Nov 2024 - Ongoing

Nov 2024 - Ongoing

Mar 2025

Nov 2024

Datacamp:

• Introduction to Statistics in Python	<i>Mar 2025</i>
• Machine Learning For Business	<i>Dec 2024</i>
• Introduction to LLMs in Python	<i>Sept 2024</i>
• Introduction to Natural Language Processing in Python	<i>Jul 2024</i>
• Deep Learning for Text with PyTorch	<i>Jul 2024</i>
• Intermediate Deep Learning with PyTorch	<i>Jul 2024</i>
• Introduction to Deep Learning with PyTorch	<i>Jul 2024</i>
• Intermediate Python	<i>Jul 2024</i>
• Introduction to Python	<i>Jul 2024</i>

OTHER SKILLS

Languages: English (native), Korean (native), Mandarin (Beginner)

Programming: Python, Julia, SQL, R, Linux, Java, Javascript
